BOOK SYNOPSIS

Are you preparing for the PMP Certification Exam? This is for you! The PMP certification, awarded by the PMI, is the gold-standard in project management certifications for project managers globally. If you are a project manager who wants to ace the PMP certification exam on your first attempt, you need to prepare with the right resources! 300 Practice Questions for the PMP Exam, from the author of Be a PMP Ace in 30 Days, is unlike the average question bank you may come across for the PMP exam. This question bank contains a set of carefully researched and framed questions meant to optimise your study experience and the content here will stimulate your thinking in the way as it would be required on the actual PMP Exam. Key features of this PMP question bank: 300 questions sorted on individual knowledge areas of the PMBOK - an excellent accompaniment for after-chapter revisions during your PMP Exam preparation. Detailed solutions provided at the end of each chapter so that you understand precisely why a particular answer choice is the right one. Also includes questions on the Project Management Framework and questions on Professional Ethics. Questions are similar in structure, style and difficulty-level with the actual questions that appear in the PMP Exam - therefore, you get wider exposure in fewer questions. 300 Practice Questions for the PMP Exam is an excellent accompaniment to your PMP preparation arsenal that you should not miss!
