## **BOOK SYNOPSIS**

Completely revised and updated with brand-new word lists that reflect vocabulary requirements for success on the latest SAT I college-entrance tests, this card pack contains 300 words on 50 vocabulary recognition cards and a handy six-card index. The card case is designed with viewing windows. Both cards and viewing case have been enlarged for this new edition. Users can slide cards past the window, first to see the word and its part of speech; second, to see the word's definition; third, to see it used in an example sentence; and fourth, to see and learn other words with related meanings. Wordmaster Level II presents 300 advanced words to be mastered after students have become comfortable using the basic Level I vocabulary, which is available as a separate package, and also presents 300 words with definitions. Students who master all 600 words in both levels are virtually guaranteed to excel in the verbal testing sections of the SAT I and all college-entrance exams.
