## BOOK SYNOPSIS

**New and Improved Features** New function that allows users to convert an imported .pdf drawing, which can then be modified and customized in AutoCAD as usable geometry. Two new dimension commands, Associative Centerlines and Associative Center Marks, which are both fully editable. Dialog Box enhancements that enable custom resizing of many of the dialog boxes. Share Design View command, which lets users publish views of drawings to the Cloud and share them with others, while still protecting the original drawing files. Autodesk Home, a companion application delivering updates and patches to AutoCAD software. A refreshed cover design highlights the latest editions of the AutoCAD Exercise Workbook series. Many redrawn illustrations and improved instructions.
