BOOK SYNOPSIS

"Internationally acclaimed interior design sensation Miles Redd is known for his quirky brand of cozy glamour. His unique aesthetic vision is characterized by a playful mélange of high and low, invigorated with whimsical splashes of color and modern gestures. Drawing on inspirations ranging from Richard Avedon fashion photographs to Rene Gruau illustrations, Redd has crafted interiors for a wide array of venues. His trademark approach to design has brought to life rooms infused with boldness, fantasy, and sophistication. This lavishly illustrated volume will be an inspiration to anyone interested in spirited, and eclectic design. Miles Redd embarked on his interior design career after graduating from NYU, honing his skills with luminary antiques dealer John Rosselli and decorator Bunny Williams. In 1998, he opened his own design firm in New York City's NoHo neighborhood and he has been the creative director of Oscar de la Renta Home since 2003. The Big Book of Chic gives a glimpse into the inspiration that fuels Redd, and focuses on the pleasures of living life in a beautiful way. It includes a wide range of projects, from Redd's own townhouse and beach house to projects in Houston, Atlanta, Millbrook, and Locust Valley"--Publishers web site.
