## BOOK SYNOPSIS

City of Weird conjures what we fear: death, darkness, ghosts. Hungry sea monsters and alien slime molds. Blood drinkers and game show hosts. Set in Portland, Oregon, these thirty stories blend imagination, literary writing, and pop culture into a cohesive weirdness that honors the city's personality, its bookstores and bridges and solo volcano, as well as the tradition of sci-fi pulp magazines. Including such authors as Rene Denfeld, Justin Hocking, Leni Zumas, and Kevin Sampsell, editor Gigi Little has curated a collection that is quirky, chilling, often profound—and always perfectly weird.
