BOOK SYNOPSIS

The first edition of this extremely popular two volume Greek text has been successfully adopted in many high schools and colleges; the organization and approach used by the authors, make it an equally effective tool for those who would enjoy learning the language on their own. The set is designed for a two semester course at the introductory level. This second edition incorporates the authors improvements and corrections gathered from users commentary. Those who are currently using the first edition will find this update valuable, those who are seeking a Greek language text will find Greek: An Intensive Course one of the most complete and accessible books on the market.
