BOOK SYNOPSIS

The new Eleventh Edition of the popular Problems in Legal Ethics reflects extensive updating to integrate new cases and current issues, while keeping its practical, problem-centered focus. The new edition contains more than a dozen new Discussion Problems and nearly a dozen new cases, and integrates readings on current issues. The chapter addressing bias has been extensively reworked to include both recent cases and readings that address the concept of unconscious bias. Approachable, concise, and up-to-date, this practical new edition ensures that students understand the potential ethical pitfalls encountered in the practice of law.
