BOOK SYNOPSIS

Publishers Weeklys Ten Best Poetry Collections of Spring A Most Anticipated book at Buzzfeed, NYLON, and Bustle "This is a marvelous book. See for yourself. Morgan Parker is a fearlessly forward and forward-thinking literary star." —Terrance Hayes

There Are More Beautiful Things Than Beyoncé uses political and pop-cultural references as a framework to explore 21st century black American womanhood and its complexities: performance, depression, isolation, exoticism, racism, femininity, and politics. The poems weave between personal narrative and pop-cultural criticism, examining and confronting modern media, consumption, feminism, and Blackness. This collection explores femininity and race in the contemporary American political climate, folding in references from jazz standards, visual art, personal family history, and Hip Hop. The voice of this book is a multifarious one: writing and rewriting bodies, stories, and histories of the past, as well as uttering and bearing witness to the truth of the present, and actively probing toward a new self, an actualized self. This is a book at the intersections of mythology and sorrow, of vulnerability and posturing, of desire and disgust, of tragedy and excellence.

THERE ARE MORE BEAUTIFUL THINGS THAN BEYONCE - Are you looking for Ebook *There Are More Beautiful Things Than Beyoncé*? You will be glad to know that right now *There Are More Beautiful Things Than Beyoncé* is available on our online library.
